Hilton Branch Parenting Series

Hands-On Science for Parents!

Dazzle your children by making things sizzle, pop and glow!

**For parents of children
ages 4 – 12**

- ***Spark your child's curiosity about the world
- ***Stimulate problem-solving skills
- ***Improve family togetherness
- ***Make learning fun
- ***Impress your child with your science genius!

At this interactive program, Betsy Wald will demonstrate exciting experiments using everyday materials, and help you come up with some of your own wacky projects. Parents only please!

Tuesday, March 16 at 7:00 p.m.

**Hilton Branch Library
1688 Springfield Ave. 973-762-1688**
